

## WORKPLACE GIVING

A small way to make  
a big difference in  
delivering magic moments  
to Queenslanders  
with a disability.

## SUPPORTING US

Will make a real difference  
to the health and well-being  
of someone with a disability.

Sporting Wheelies has been delivering magic moments for more than 40 years - those moments when people of all abilities enjoy recreation activities and play sport with their mates or stand on the Dias at the Paralympics.

But in the background we have also been quietly making miracles happen, assisting people to walk for the first time or relearn to walk after injury. We believe that all ambitions are equal and valid. We support the full variety of active goals people have, from increasing their mobility and independence, improving their health, socialising, participating recreationally, through to representing their State or country. And, of course, we love it when our members score actual goals in their sports.

# ABOUT WORKPLACE GIVING

Workplace giving programs enable employees to nominate their preferred charity and donate the amount of their choosing directly from their pre-tax earnings at each pay cycle.

As workplace giving donations are deducted from employees' pre-tax pay, the tax benefit to the employee is immediate. There is no need to keep any records or receipts to claim a tax benefit at the end of the financial year.

## FOR EMPLOYERS

It is easy to add Sporting Wheelies as a charity partner for your work.

Your decision to choose Sporting Wheelies as a charity partner for your workplace will make a big difference in the lives of people with a disability.

By supporting us, your organisation is making an investment in the health and well-being of Queenslanders by providing them with access to sport, recreation and rehabilitation services. Your support will help us make our communities more inclusive.

Sporting Wheelies is registered with workplace giving platform Good2Give. If you do not currently use Good2Give for workplace giving, you can register your organisation via [good2give.ngo](http://good2give.ngo)

## FOR EMPLOYEES

Workplace Giving is one of the most effective way to support Sporting Wheelies.

It is simple to set-up to have your donation deducted from your pre-tax pay.

If your employer has a Workplace Giving program simply complete the authority form nominating Sporting Wheelies as your chosen charity.

If your company uses the Good2Give platform simply request the login details from your payroll officer and set up your donation online.

If your employer does not have a workplace giving program set up, give this flyer to your payroll officer and they can register at **Good2Give**.
