Welcome to the Brisbane Bash

Sporting Wheelies is proud to be hosting round two of the National League Competition for 2023.

Six teams will bring the best Wheelchair Rugby athletes from across the country to compete and challenge each other. I have been very happy to see the inclusion of the local rugby clubs. In Queensland, we have welcomed Bond University and the University of Queensland Rugby Clubs. The enthusiasm and support that we have received from these clubs and their community has been wonderful. The support of their established fan bases and community has enhanced the position of Wheelchair Rugby within the community.

I would like to thank Wheelchair Rugby Australia for their development of the national league and our partners Paralympics Australia for their commitment to Wheelchair Rugby.

To all the volunteers, athletes, officials and spectators I wish you a warm welcome to Queensland and I hope you enjoy the Brisbane Bash in 2023.

Amanda Mather – CEO
